

Membership Registration Form

The Lincoln Camera Club is a group of people who have an interest in photography, and work to improve their photographic skills. We have members that photograph with their phones, and/or an extensive camera/lens collection.

The Club welcomes people of all ages with a wide range of interests and talents to attend our meetings. There is no charge to attend the meetings, but you must be a member to take part in Club activities and competitions.

Activities include an annual Holiday Dinner, picnic, workshops and field trips. The highlight of the year is the May Salon/Banquet which showcases the members' best photographic work for the year.

The Club is affiliated with the North Central Camera Club Council (N4C) — a ten-state Midwest association of camera clubs, and the Photographic Society of America (PSA) — a national and world-wide organization.

The fiscal year is September 1 to August 31.

Dues are \$30.00 per member annually.
